

OUR WORLDWIDE PROGRAM

After School and Enrichment Classes

Fall, 2010

**Expose children to great works of art from around the world
and provide students with the opportunity to problem solve, role play,
question, discover, and create.**

Join us as we learn about a different masterpiece and artist each week through fun discussions, games and hands-on art projects. All discussions are inquiry-based and all projects are process-based.

❖ **CHILDREN IN ART:** Get to know other children your age who "live" in famous works of art. We will visit many places and time periods and learn about kids in the artwork of Francisco de Goya, Mary Cassatt, Pierre-Auguste Renoir, Vincent van Gogh and more!

Appropriate for Children in K-5th Grade.

❖ **ONCE UPON A PICTURE:** In this one-hour class children hear stories, study illustrators' styles, and create their own illustrations. This program provides children with another way to connect with books, increases children's awareness of how art fits together with the words of a story, and familiarizes children with illustrators' styles.

Appropriate for Children in K-5th Grade.

❖ **FASHION IN ART:** Works will include male and female styles from Ancient Egypt, Ancient Greece/Rome, Africa, as well as fashion designs worn in paintings by Diego Velazquez, Rembrandt van Rijn, Jean-Honore Fragonard, Edouard Manet and more!

Appropriate for Children in K-8th Grade.

❖ **HAPPY BIRTHDAY, SALVADOR DALI!:** It's Salvador Dali's 106th birthday and we'd love for you to celebrate with us! Don't miss this exciting series about an extraordinary individual and his fascinating works of art!
