

Bar and Bat Mitzvah Friendship Murals

At this very special time, you can include a meaningful and exciting charity activity for your child, family and friends!

Our Friendship Murals enable Jewish young adults to brighten the lives of those who are less fortunate. Murals can be donated to ANYONE and can be shipped ANYWHERE, including hospitals, nursing homes, shelters, libraries, synagogues, schools, even the home of a special family member, community member or classroom teacher.

Our projects enable Jewish youth to:

- ❖ develop compassion and empathy for others
- ❖ feel a sense of pride and accomplishment
- ❖ express themselves creatively
- ❖ serve as positive role models for friends and family
- ❖ partake in tikkun olam
- ❖ engage in a responsible activity while becoming an adult member of the Jewish community

Murals can relate to your Torah reading or celebration theme, used as beautiful decorations in the synagogue or at your party, and printed on your invitations and placecards. Murals then ship, with a letter from you, after your event is over.

Whether they be near or far, someone you know or someone you have never met before, your recipients will surely be touched by your creative, visual, cheerful, and thoughtful Bar/Bat Mitzvah Friendship Mural!

Cost: \$500 for collage mural. Includes all supplies and Mummies and Masterpieces educator.

Additional fees apply for murals made of wood, glass, and mosaics. Does not include shipping fees.
