

OUR WORLDWIDE PROGRAM

General Studies Programs

2010-2011

- ❖ Choose classroom programs, museum tours, or both.
- ❖ Classroom programs include a slide discussion and a hands-on art workshop at your institution.
- ❖ Museum tours include gallery discussions and sketching activities at a local museum.
- ❖ All programs DIRECTLY RELATE to state standards for all grades and take place in the classroom and/or a local museum.
- ❖ *Our programs are always about the process and not the product. Mummies and Masterpieces educators never lecture to students. Instead, we explore, discuss, wonder, and create TOGETHER.*

SPECIAL 2010-11 FOCUS: AMERICAN ART

This year marks:

- ❖ the 200th birthday of Harriet Beecher Stowe, American abolitionist and novelist ('Uncle Tom's Cabin')
- ❖ the 150th Anniversary of the American Civil War
- ❖ the 150th anniversary of the inauguration of Abraham Lincoln as the 16th President of the United States of America
- ❖ the 50th anniversary of the Freedom Riders

Allow us to teach these themes to your students in a visual, hands-on way!

ADDITIONAL PROGRAM TOPICS:

FOR OUR YOUNGER STUDENTS: Nursery-3rd Grade

- ❖ **ONCE UPON A PICTURE:** This program will focus on increasing children's awareness of how art fits together with the words of a story. Together we will read a favorite picture book, study the illustrations, and then view and discuss masterpieces connected to the theme of the book. We will conclude with the creation of an art project based on the illustrator's style. Eric Carle, Leo Lionni, Ed Young and Ian Falconer are just some of the wonderful illustrators whose artwork will inspire your students.
- ❖ **MATH IN ART:** What shapes, colors or numbers are we learning about in school? How many of them can we find and identify in museum masterpieces? Come on a special hunt through famous works of art and try to find them!!! Collage workshop.

Also available: teacher workshops on differentiated instruction plus over 60 additional programs for students, including Ancient Egyptian Art, Greek and Roman Art, African American Art, Medieval Arms and Armor, Chinese and Japanese Art, and more!
